

## TECHNICAL DATA

### Deodor Grans® Odor Control Granules

#### SUGGESTED APPLICATIONS

- ◆ Garbage Dumpsters
- ◆ Trash Cans & Compactors
- ◆ Dock Areas
- ◆ Storage Areas
- ◆ Chemical Spills/Biohazardous Waste
- ◆ Ash Trays/Smoking Stands
- ◆ Grocery Stores
- ◆ Nursing Homes/Medical Facilities
- ◆ Transport Facilities
- ◆ Restaurants/Cafeterias
- ◆ Kennels/Animal Care Facilities
- ◆ Condominiums/Apartments/Hotels

5-gallon, 15-pound pail

50-pound bag-in-box

#### PURPOSE

Naturally formulated with essential oils, Deodor Grans is a powerful and economical dry granular odor control agent. Deodor Grans contains Vaportek's exclusive, natural odor controller—a combination of natural oils, citronella, & diatomaceous earth. This unique and safe formula works fast, is long-lasting, and neutralizes odors on contact. Our granules are an economical alternative to metered liquid spray deodorization systems.

#### DETAILS & USAGE

Deodor Grans is an easy-to-use product. Simply shake or spread granules into or around areas like dumpsters, garbage containers, and musty areas. One scoop used in an average sized dumpster will effectively kill garbage odors for up to seven days. Adding more will maintain deodorizing effectiveness. No electrical equipment is needed and your labor time is minimized. The natural essential oil ingredients in Deodor Grans do not support the growth of bacteria. Our granules are safe, biodegradable, nontoxic, and nonflammable, making it environmentally and user friendly. Deodor Grans does contain citronella oil—a natural ingredient that helps deter flying insects.

#### Reorder Information:

5-gallon pail (#90-7820)  
50-pound box (#90-7800)
