\*EZ-Disks & Sachets also available in **Mint (#55) & Citronella (#70)**

**\*NOTE:** S.O.S. (Smoke Odor Solution-85) is also available in “industrial” products (Simple Clip System, HD Standalone, Restorator, Restorator DUO, Vapor Shark, and the Portable Industrial). S.O.S. and 3X Industrial are powerful odor neutralizing formulations. See reverse for Industrial Products Addendum and ECOZ Liquids Addendum.

**TO ORDER PRODUCTS IN FRAGRANCES OTHER THAN NEUTRAL, INCLUDE ITEM NUMBER AND SPECIFY AROMA SUFFIX NUMBER.**  
(Example: Use 34-7600-15 to order EZ-Disk Refill Elements in Berry.)

**Classic Neutral** is recommended as being the most effective odor eliminating formulation. Classic Neutral is kept in stock at all times. Other varieties are typically in stock as well, but are not covered by freight guarantees. Allow up to ten working days for variety fragrance orders.

\***Lemon membranes** are recommended for use **WITH** 3X Industrial membranes for odor control with a lighter scent. While the Lemon membranes create a pleasant, fresh fragrance, the formulation does not contain the same odor neutralizing capabilities as the 3X Industrial or S.O.S. membranes. For the most effective deodorization, Vaportek does **NOT** recommend using only Lemon membranes in the Vapor Shark or Portable Industrial.
