

Pioneering Simple Solutions for Tough Odors Naturally Since 1979

FRAGRANCE SENSITIVITY STATEMENT

Vaportek manufactures unique air treatment products that are used worldwide. We are committed to providing the utmost in safe and effective odor control products, which have been tested and proven in cancer care centers, hospitals, nursing homes, and long-term care facilities since 1979.

Our products are based on proprietary blends of essential oils. These natural aromatics may trigger symptoms in people with extreme fragrance sensitivities. Individuals with fragrance sensitivity should use caution and discontinue use immediately if sensitivities develop.

Safety Data Sheet (SDS) information can be accessed through the Vaportek website at www.Vaportek.com.
